

Independent Assurance Practitioner's Review Report

To the Directors of Media, Entertainment & Arts Alliance

Report on the SA Associated Entities Return

We have reviewed the attached **SA Associated Entities Return** for the period 1 July 2018 to 31 December 2018 (the Return).

The Return has been prepared for the entity to meet its responsibilities under section 130ZO of the Electoral Act 1985 and Regulation 23A of the Electoral Regulations Act 2009.

Responsibilities of the Directors for the return

The board is responsible for the preparation of the Return and have determined that the basis of preparation described in Note 1 to the Return is appropriate to meet the needs of the Electoral Commission of South Australia. This responsibility includes establishing and maintaining internal control relevant to the preparation of the Return that is free from material misstatement, whether due to fraud or error.

Assurance Practitioner's responsibility for the review of the Return

Our responsibility is to express a conclusion on the Return.

We conducted our review in accordance with *Auditing Standard on Review Engagements ASRE 2405 Review of Historical Financial Information Other than a Financial Report* in order to state whether, on the basis of procedures described, anything has come to our attention that causes us to believe that the Return is not prepared, in all material respects, in accordance with the basis of preparation used. No opinion is expressed as to whether the basis of preparation used is appropriate to the needs of the Electoral Commission of South Australia. ASRE 2405 requires us to comply with the requirements of the applicable code of professional conduct of a professional accounting body.

A review of consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for Qualified Conclusion

The Return states that the value of amounts received by, or on behalf of the entity during the period was nil. The entity has established certain controls over the recording of amounts received by or on behalf of the entity. However it is impracticable to establish controls over the recording of all amounts received by or on behalf of the entity.

Accordingly as the evidence available to me regarding the amounts received by or on behalf of the entity was limited, my review procedures with respect to the amounts received by or on behalf of the entity had to be restricted to those amounts in the financial records. I am therefore unable to express an opinion as to whether the Return is complete.

Qualified Conclusion

Except for the adjustments, if any, to the Return that we might have become aware of had it not been for the situation described in the preceding paragraph, based on our review, which is not an audit, nothing has come to our attention that causes us to believe that the SA Associated Entities Return for the period 1 July 2018 to 31 December 2018 is not prepared, in all material respects, in accordance with the basis of preparation used as per note 1 to the Return.
